London Brutalist Map

brutalistmap.jackkershaw.net

github.com/jones58/brutalist-map

- A tool to discover London's Brutalist buildings
- Built using Mapbox API, HTML, CSS and JavaScript
- Currently rebuilding with Vite, React and TypeScript to enhance developer and user experience

Frontend Job Board

jobseeker.jackkershaw.net

github.com/jones58/jobseeker

- A website to find frontend job listings
 - Refreshes every day using local storage
 - Built with React and Tailwind CSS
-

EXPERIENCE

Director, Co-Founder and Graphic Designer

Tapir Studio Limited, 2019-2024

- Digitally designed posters, websites, and social media branding
- Created and managed IT systems including backups, website and SEO, social media and internal communications platform
- Enterprise management: registering at Companies' House, setting employment terms, distributing work, online sales and liaising with accountants and other outside parties
- Client-facing role: acquiring customers, negotiating terms and providing client service
- Clients included Oxford University, Fête de l'Humanité, Autonomy, and Common Knowledge
- Printed and distributed 200,000 posters and stickers in the UK and internationally
- Featured in a double-page spread in the Observer, August 2022

Video Editor

Freelance, 2016 - 2022

- Created social media videos for various campaigning and civil society groups

Sales Associate

Cotswold Outdoor, Guildford, 2015 - 2016

- I worked in a team of sales assistants, offering help and advice to over fifty customers a day
